

Copyright Transfer Agreement

To *Electric Power Engineering technology*

The manuscript (title : _____ No: _____) has been accepted by *Electric Power Engineering Technology* (EPET). Each author agrees to publish the above Manuscript in EPET and transfer the copyright to the editorial department of EPET including the right to reproduce, publish, transmit, translate and edit the manuscript. By signing this agreement, the authors warrant the following:

1. The entire work does not involve state secrets and can be published publicly.
2. The manuscript is original and does not infringe upon any existing copyright, or breach any confidentiality obligation, and is not currently under consideration or accepted for publication elsewhere. In the event of copyright infringement or disclosure of confidential information, the manuscript author(s) shall bear all responsibilities.
3. The manuscript will be uploaded to National Science and Technical Journal Open Platform (<https://netl.istic.ac.cn/>) for the open access policy of EPET. After publication of the article, the authors shall own the right of signature. Any author who wants to use or share the published article must obey the Creative Commons Attribution-Non Commercial 4.0 International (CC-BY-NC 4.0) license.
4. The journal's manuscript remuneration shall be made as a one-time payment to the authors before the paper is published for the first time.
